PROFILE

Full Stack Developer and Graphic Design Technician, I have a passion for exploring the latest trends in 3D design, robotics, and game development with Unity. With a creative mindset and a willingness to learn, I am excited to tackle new challenges and bring innovative solutions to life. While I may be at the beginning of my career journey, my dedication and enthusiasm for technology and design allow me to constantly evolve and grow in my field.

WORKING EXPERIENCE

FRONTEND DEVELOPER

Group Edutec & IQ Board | 2015 - 2016

I developed interactive educational content and technology solutions as a Frontend Developer at Group Edutec & IQ Board in Bogota. I collaborated with a team of designers and engineers to ensure optimal user experience and accessibility through testing and user feedback.

- User Experience (UX) Design
- Content Creation
- Software Development and Programming

FRONTED DEVELOPER AND 3D DESIGN COLLABORATOR.

Start-Up Nuba Aerospace Drones | 2016 - 2019

As a Frontend Developer at Nuba Drones, I developed web apps using HTML, CSS, JS, Python, and C#. Collaborated with designers and engineers to create 3D designs, and utilized 3D printing for functional prototypes. Ensured optimal app functionality and user experience through close collaboration with engineers and other developers.

- Front-end Web Development
- 3D Design and Prototyping
- Collaborative Development and User Experience Optimization

DELIVERY OPERATIONS SPECIALIST

Didi Food- Uber | 2019 - 2022

As an experienced delivery driver for Uber Eats and Didi Food in Bogota, Colombia, I have honed my skills in navigation, time management, and customer service. I have a proven track record of remaining calm under pressure, paying attention to detail, and building strong relationships with customers.

- Communication: the ability to clearly and effectively convey information to others
- Critical thinking: the ability to analyze information and evaluate situations
- Time management: prioritize tasks, organize schedules, and meet deadlines efficiently and effectively.
